

HIGHLANDERS  
MAKE A RECORDBEHIND THE  
CATCHER

Whether They Win or Not From White Sox To-Day, the Highlanders Will Have the Distinction of Having Won a Series on Their Home Grounds for the First Time This Season.

By Bozeman Bulger.

An unusual feat carries the Yankees into the last game with the White Sox this afternoon. Whether they win or not, they will have the distinction of having won a series on the home grounds for the first time this season. If memory and the available dope serves us right, two or three clubs have gone away from here after a dead heat, but not one has been beaten a majority of games. That's what Jimmy Callahan gets for beating us in a trade. So far the Yankees have trimmed him twice, and with Russell Ford ready for mound duty Frank Chance has an excellent opportunity of making a clean sweep.

## HARRY WOLVERTON MIGHT GET A SMILE OUT OF THIS.

As unfortunate as we may think the Highlanders are, they are right now in practically the same position, so far as winning percentage is concerned, as they were this time last year. On Aug. 1, 1912, they had won thirty-one games and lost sixty-two for a percentage of .337. For this season they have won thirty-one and lost sixty-two, the percentage figures being .334. All of which would indicate that the team of 1913 was playing up to its normal strength. Ditto for 1913.

## FIGURING AT LENGTH FOR A THRILL.

As long as the rain knocked us out of new material, suppose we take another look at the figures. The Yankees have but sixty-one more games to play, and if they should win every one of them they could do in the way of percentage would be .507. Even though that would not win a pennant, it's something to look forward to.

## A REAL HUNTER ON THE JOB.

Moving on to Chicago, we find Christy Mathewson out there in the box giving the boys a dress rehearsal on how to beat the Cubs. Bear Hunter and French Huguenot having failed there was nothing left but a little demonstration to freshen the boys up and the old dead did it. Just five hits he gave them.

## AND LIKELY TO GET IT TOO.

Yes, and that same Mr. Mathewson is right on the verge of leading all the pitchers in both leagues for the season. So far he has won nineteen out of twenty-four games, and to make it even more pointed he has won thirteen of his last fourteen starts. First thing you know, even as conservative an old gentleman as Matty will be starting out for one of those successive wins records.

While no pitchers have been purposely passing George Burns for fear of a Jeanpur wallop, it might be of interest to know that up to Aug. 1 he had more hits than any man in the league. The St. Johnsville cigar roller and cigarette smoker had poked out 110 safeties.

## SIDE BETS ALWAYS TAKE INTEREST FROM THE GAME.

By the way, that race between the Giants and the Athletics for the high grade honors is getting hotter every minute. The Athletics were ahead in percentage for two days, only to drop again when defeated by the Browns, while the Giants were trimming the Cubs. This little side race seems to be attracting more attention right now than the real war for the respective pennants.

## WHY SHOULD HE STEAL OUR STUFF, ANYWAY?

Clarke Griffith came an awful cropper in his predictions for a Washington pennant during the series with the Tigers. The Senators were beaten again yesterday and now stand twelve full games behind the leaders. With but fifty-six games to play, Griff is going to have a tough job making good as a prophet.

In the meantime the Naps have stuck so close to their knitting that they are within seven games of the Athletics, and there may be a race in the American League after all. Two victories over the Red Sox and Birmingham's men are beginning to think about that \$100,000 offer from the Cleveland fans again.

## CALLAHAN SAYS ONLY CURE IS THE WHITE SOX.

They tell us that the Chicago fans are bordering on a state of nervous collapse. Between their regret at seeing Charley Murphy win and their equal regret at seeing the home club lose they are getting in shape to give the doctor business in the Windy Burg a boom.

This fellow Leonard, third baseman of the Des Moines club, just purchased by the Pirates, is said to be ashamed to come into the league. Fred Clarke brazenly confesses that he only paid \$2,000 for the new man, and the Pittsburgh fans are already clamoring to know what's the matter with him.

## STILL, HE'S NOT BOTHERED WITH REPUTATION.

And this reminds us that Jimmy Callahan has promised to put Larry Chappelle, his \$15,000 entry, on exhibition at the Polo Grounds during practice this afternoon. "I don't think there will be enough money in the house," says Jimmy, "to let him appear during the entire performance."

## THEY SHOULD START A PUBLIC SUBSCRIPTION.

It's all off about the Carnegie Institute getting that Hans Wagner uniform to put on exhibition. Hans refuses to give it up unless they pay him the purchase price and the additional laundry charges of 30 cents. "That uniform might be a good thing," says the director of the Institute, "but we can't see it for \$15.30." "All right," wrote Hans. "The fans can see it for 75 cents."

The misfortune of Rube Benton, the Red pitcher, who was badly injured in a motorcycle accident, may furnish an interesting case for the Players' Fraternity. The doctors say Benton will be out for the rest of the season, and President Herman says his salary will be stopped until he is in condition to play again, as he did not receive his injury while in pursuance of his duties.

What Is the Matter With the Athletics?  
They're Only 7 Games Ahead of Naps Now

What's the matter with the Athletics? Have George Knab's boys struck the tobacco, as Clarke Griffith, manager of the Senators, said they would. The ex-world's champions have now lost two straight games to the lowly Browns. In fact, for two or three weeks the Athletics have made a far poorer showing than in any similar period this season. They had a lead of ten or eleven games at one time, but now their margin over the second team in the race, which happens to be the Clevelanders, is only seven games. The Naps' pitchers are now going great guns, while their heavy artillery, Joe Jackson and Nap Lajoie, are hitting the ball for keeps.

The Athletics will be mixed up in a real crucial series next week when they will have to tackle the Naps on Monday, Tuesday, Wednesday and Thursday. The Clevelanders are now in their best stride, while the Browns have been able to keep their record. It would not be surprising to see Joe Birmingham lead his team to three victories out of four. If the Naps should make a clean sweep of the series it will put a decidedly different complexion on the American League race, which everybody thought the Athletics had clinched.

The Washingtons are twice games behind the Athletics, and judging by the way the Tigers have beaten them it's up to the Naps or nobody to keep the Athletics from capturing the pennant.

Home Run With Three On  
Marked Start of Chappelle

The failure of Larry Chappelle to make good with the White Sox has caused Jimmy Callahan to sadly reflect how some ball players advance from nothing to something. The particular subject of the Chicago manager's thoughts was Chappelle, who, a few years ago, was glad to get \$15,000 a game and later came to the White Sox for \$18,000, the highest amount ever paid for a player. In these days, a member of the spalding team of the Chicago City League. His salary was \$1,500 a game and expenses from McCluskey to Akron. Chappelle's work attracted considerable attention, and the following year he was signed by the Greenwoods at a big increase to \$2 a game. That was fifty cents more than the other players were receiving, and the club owners had to keep Chappelle's wages a secret to prevent a strike.

The Cubs must win five of the remaining seven games scheduled with the Giants to break even with McGraw's men this season. For the first time in several years the Giants have the edge on the Cubs. By winning yesterday's game they made the series thus far stand nine to six in their favor.

Manager Joe Tinker of the Cincinnati Reds, who was in Kansas City on account of the illness of his wife, hobbled with Manager McGraw of the Giants and Manager Evers of the Cubs to-day, giving rise to rumors of no less than a dozen trades.

Griffin to Play Armstrongs: CHICAGO, Aug. 2.—Clarence Griffin, California's latest tennis star, upheld the reputation of his State by qualifying for the Western championship final through a victory in his hardest match of the tournament over William Blair of Lake Geneva, Wis. 6-2, 7-5, 6-2. To-day in the final round, upon which, through the absence of Maurice E. McLoughlin, the present champion, depends the title, Griffin will meet Joseph Armstrong of St. Paul, who yesterday downed Harry Waldner of Chicago, 6-2, 6-4, 6-4.

WASHINGTON, Aug. 2.—John Henry Griffith's first string catcher, will be out of the game for at least a week on account of an injury yesterday to his insides. He was struck by a batted ball.

THE CUBS MUST WIN FIVE OF THE REMAINING SEVEN GAMES SCHEDULED WITH THE GIANTS TO BREAK EVEN WITH MCGRAW'S MEN THIS SEASON. FOR THE FIRST TIME IN SEVERAL YEARS THE GIANTS HAVE THE EDGE ON THE CUBS. BY WINNING YESTERDAY'S GAME THEY MADE THE SERIES THUS FAR STAND NINE TO SIX IN THEIR FAVOR.

## IT NEVER HAPPENS!

Championship Belt  
Will Be Given Winner  
Of Smith-Flynn Bout

Holder Must Defend the Prize  
at Least Once Every  
Six Months.

By John Pollock.

THE ten-round bout between Gnat Smith and Jim Flynn at the Garden A. C. next Friday night will have a distinctively championship flavor as the club will give the winner a silver belt signifying the white heavyweight championship of the world. Billy Gibson, manager of the club, yesterday approved the sketch made for the belt and the order was immediately given for its execution. The belt will bear a suitable inscription with the picture of Gibson and the winner of the bout.

It has not yet been definitely decided as to how the victor will be determined. Of course, according to the rules of the Boxing Commission, it isn't legal for a referee to render decisions. Gibson is in favor of having the winner selected by a consensus of the local newspaper editors. Jack Curley, manager of Flynn, disapproves of this plan. He is in favor of having a jury of three reputable sporting men decide as to who should receive the trophy. The method of deciding the winner will be settled upon before the contest.

According to the provisions governing the donation of the belt the winner will have to successfully defend it three times in order to retain it permanently and also he'll have to defend it at least once every six months. It is thought that this plan will do more than anything else to revive interest in the heavy weight game and to develop new talent.

Both Flynn and Smith are working harder than they ever did before for the title. The method of deciding a decisive victory will mean to either of them. Not only will the victor be given the belt, as a token of the championship, but Theodore Vienna, the French boxing promoter, has guaranteed to match the winner with George Garbner, the French champion, for a November date. It is likely that the winner will get all the theatrical bookings he wants. Also, negotiations are being made with a movie company to make a picture of the fight.

LEACH CROSS AGREES  
TO BOX JOE RIVERS  
RITCHIE DOESN'T GO

New York Dentist, However,  
Insists on Dictating Terms  
of Match.

(Special to The Evening World.)  
LOS ANGELES, Aug. 2.—Joe Cross agreed to-day to meet Joe Rivers in Vernon on Labor Day providing he was unable to get Ritchie. But he told Uncle Tom McCarney that if he did sign for Rivers that he would do the dictating as to the split of the purse.

In New York, he said, Rivers was considered the drawing card and got twice as much as he did, while now Leach thinks Rivers has lost some of his power, even in his home town, and that there is anything doing he must have the lion's share of the pot or no fight.

Jess Willard, the human freight car, who is scheduled to meet Bull Young, the Wyoming cowboy, on Aug. 22, may run out of the match via the money route. He has notified McCarney that he wants 5 per cent. of the gross receipts as a bonus, but Uncle Tom can't see where Willard is entitled to a bonus, believing him lucky to even get a match at any terms. McCarney told Willard if he did not like the terms he could quit.

CANADIAN ATHLETES  
TO APPEAR IN LOCAL MEET.

Canadian athletes are going to try for the prizes at the international meet at the Greater New York Fair and Exposition, Aug. 21-23, and the Dominion champions will be seen in many Empire City Park games. Jack Tait of Toronto has just notified the Athletic Department that there will be a full team on hand. In the big relay race of one mile Canada will be represented by Jack Treadwell, Hector Phillips, Mel Brock, Jack Tait and J. F. McCulloch. Archibald, the all-around Canadian champion, is to be in the events and reports say is going good.

Big Welcome Planned  
for Davis Cup Winners

Coveted Trophy Aboard the  
Imperator, Which Is Fast  
Nearing New York.

Robert D. Wrenn, President of the United States National Lawn Tennis Association, is speeding toward this city aboard the Imperator of the Hamburg-American Line, with the famous Davis International challenge cup, the most prized piece of his luggage. While it had not been the intention of Wrenn to return at this early date it was stated yesterday by George T. Ades of the National Ranking Committee that unexpected business had called the President of the national organization back to this country.

It is understood that Maurice E. McLoughlin, the great California player, who worked so heroically in the recapture of the cup; Harold E. Hackett, the captain of the American challenging team; R. Norris Williams and Wallace F. Johnson are accompanying Wrenn. It was pointed out that all of the men are desirous of getting into trim before the national all-conquer championship tournament, which will begin on the turf courts at Newport, Monday, Aug. 12. McLoughlin is scheduled to appear at the tournament on the turf of the Meadow Club at Southampton, Long Island. He will be joined there by Thomas C. Bundy, his partner in the defense of the national doubles title, and the two will tune up for the great challenge match at Newport.

As soon as the committee of the Crescent Athletic Club heard that Bob Wrenn and the victorious cup team were on their way to this country a movement was started last night to have a special Crescent Athletic Club meet to meet the ship and land the American players at the Bay Ridge dock. After that the club members plan to give them a fitting welcome.

Mackay Edgar, owner of Maple Leaf, principally is responsible for England allowing a postponement of the international motor boat races for the Harmsworth Trophy. By a peculiar bit of luck Mr. Edgar was in New York last week, hearing of the American motor boat situation, the owner of the Maple Leaf cabled abroad stating that he would be willing to postpone the race until November if necessary.

The delay will allow Ankle Deep to go abroad. Count Mankowski promised Chairman Tower of the Motor Boat Club of America that he would so after the trophy as soon as the Gold Challenge Cup races were ended. Yesterday saw the ending of this important contest, and without doubt the Count will keep his word.

CHAPPLE WILL DEFEND  
TITLE TO-MORROW NIGHT.

Starting from scratch in the New York Handicap to-night Arthur Chapple will attempt to beat a speedy field at the Brighton Motorcade, giving the bunch a three-lap handicap, something that had never been tried before by the king of motorcycle. Allowing two laps in five miles last Saturday night Chapple was put through a severe test, barely getting home in front, catching the bunch in the last lap of the race.

Chapple will need this race under his belt to be right for the feature Sunday night when he will defend his title against Charley Davis and Paul Ohne. The race will be over the two-mile route, the best two heats out of three. The riders will draw their machines a few minutes before the start of the race, motors of equal speed and horse power being used by the men.

Harling and Football.  
The summer games of the Cavan Men's P. and A. Association will be held at Celtic Park, Long Island City, to-morrow afternoon. Besides the track events there will be three big matches that will prove most attractive to the followers of Irish sports. At 3:30 P. M. Cavan will meet Monaghan at football, and one hour later a hurling battle will be decided with County Clare and Kings County in the points.

"Tad" White to Turn "Pro."  
At a late hour yesterday the announcement was made by the Ebbets-McKeever Exhibition Company that Tad White, former champion mile runner of the Irish-American A. C., had signed his intention of joining the pro ranks, and competing at the second carnival of sports to be held at Ebbets Field, Brooklyn, to-day.
